

These are the **Optional Supplemental Benefits** you can buy.

If you are enrolled in Health Net Jade (HMO C-SNP) or Health Net Healthy Heart (HMO), you have the choice to customize and enhance your coverage with an optional supplemental benefits package.

For an additional monthly premium of \$8 you can take advantage of these great benefits.

When can I enroll?

New members can enroll until the end of the first month of initial enrollment. Benefits will become effective the first of the following month. To be eligible for the Optional Supplemental Benefits Package, you must remain a member of a Health Net Medicare Advantage plan. If you disenroll from your plan, you will be automatically disenrolled from the Optional Supplemental Benefits Package.

You may disenroll at any time from this option by providing written notice to Health Net, but once disenrolled, reenrollment during the same calendar year will be limited. The available election periods for the optional benefits are from October 15, 2019, through December 31, 2019, for a January 1, 2020, effective date; January 1, 2020, through January 31, 2020, for a February 1, 2020, effective date.

See the Evidence of Coverage for a complete description of plan benefits, exclusions, limitations and conditions of coverage. Plan features and availability may vary by service area.
