Health Net Jade (HMO C-SNP) H0562: 117

San Francisco County, CA

H0562_117_20_13268SB_M_Accepted 09012019

*Coverage for
every stage of life™*

This booklet provides you with a summary of what we cover and the cost-sharing responsibilities. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, please call us at the number listed on the last page, and ask for the "Evidence of Coverage" (EOC), or you may access the EOC on our website at ca.healthnetadvantage.com.

You are eligible to enroll in Health Net Jade (HMO C-SNP) if:

- You are entitled to Medicare Part A and enrolled in Medicare Part B. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Medicaid or by another third party.
- You must be a United States citizen, or are lawfully present in the United States and permanently reside in the service area of the plan (in other words, your permanent residence is within the Health Net Jade (HMO C-SNP) service area county). Our service area includes the following county in California: San Francisco.
- You do not have End-Stage Renal Disease (ESRD). (Exceptions may apply for individuals who develop ESRD while enrolled in a Health Net commercial or group health plan, or a Medicaid plan.)
- For Health Net Jade (HMO C-SNP) Chronic Special Needs Plan (C-SNP), you must also have been diagnosed with cardiovascular disorders, chronic heart failure, and/or diabetes.

The Health Net Jade (HMO C-SNP) plan gives you access to our network of highly skilled medical providers in your area. You can look forward to choosing a Primary Care Provider (PCP) to work with you and coordinate your care. You can ask for a current provider and pharmacy directory or, for an up-to-date list of network providers, visit ca.healthnetadvantage.com. (Please note that, except for emergency care, urgently needed care when you are out of the network, out-of-area dialysis services, and cases in which our plan authorizes use of out-of-network providers, if you obtain medical care from out-of-plan providers, neither Medicare nor Health Net Jade (HMO C-SNP) will be responsible for the costs.)

This Health Net Jade (HMO C-SNP) plan also includes Part D coverage, which provides you with the ease of having both your medical and prescription drug needs coordinated through a single convenient source.

Services with an * (asterisk) may require prior authorization from your doctor.

Services with a ▣ (square) may require referral from your doctor.

Part D Prescription Drugs

Deductible Stage	This plan does not have a Part D deductible.		
Initial Coverage Stage (after you pay your deductible, if applicable)	After you have met your deductible (if applicable), the plan pays its share of the cost of your drugs and you pay your share of the cost. You generally stay in this stage until the amount of your year-to-date “total drug costs” reaches \$4,020. “Total drug costs” is the total of all payments made for your covered Part D drugs. It includes what the plan pays and what you pay. Once your “total drug costs” reach \$4,020 you move to the next payment stage (Coverage Gap Stage).		
	Preferred Retail Rx 30-day supply	Standard Retail Rx 30-day supply	Mail Order Rx 90-day supply
Tier 1: Preferred Generic	\$0 copay	\$8 copay	\$6 copay
Tier 2: Generic	\$10 copay	\$15 copay	\$20 copay
Tier 3: Preferred Brand	\$42 copay	\$47 copay	\$101 copay
Tier 4: Non-Preferred Drug	\$95 copay	\$100 copay	\$260 copay
Tier 5: Specialty	33% coinsurance	33% coinsurance	Not Available
Tier 6: Select Care Drugs	\$0 copay	\$0 copay	\$0 copay
Coverage Gap Stage	<p>During this payment stage, you receive a 70% manufacturer’s discount on covered brand name drugs and the plan will cover another 5%, so you will pay 25% of the negotiated price and a portion of the dispensing fee on brand-name drugs. In addition, the plan will pay 75% and you pay 25% for generic drugs. (The amount paid by the plan does not count towards your out-of-pocket costs.)</p> <p>You generally stay in this stage until the amount of your year-to-date “out-of-pocket costs” reaches \$6,350. “Out of pocket costs” includes what you pay when you fill or refill a prescription for a covered Part D drug and payments made for your drugs by any of the following programs or organizations: “Extra Help” from Medicare; Medicare’s Coverage Gap Discount Program; Indian Health Service; AIDS drug assistance programs; most charities; and most State Pharmaceutical Assistance Programs (SPAPs). Once your “out-of-pocket costs” reach \$6,350, you move to the next payment stage (Catastrophic Coverage Stage).</p>		
Catastrophic Stage	During this payment stage, the plan pays most of the cost for your covered drugs. For each prescription, you pay whichever of these is greater: a payment equal to 5% coinsurance of the drug, or a copayment (\$3.60 for a generic drug or a drug that is treated like a generic, \$8.95 for all other drugs).		

Part D Prescription Drugs

Important Info:	<p>Cost-sharing may change depending on the level of help you receive, the pharmacy you choose (such as Preferred Retail, Standard Retail, Mail Order, Long-Term Care, or Home Infusion) and when you enter any of the four stages of the Part D benefit.</p> <p>For more information about the costs for Long-Term Supply, Home Infusion, or additional pharmacy-specific cost-sharing and the stages of the benefit, please call us or access our EOC online.</p>
------------------------	---

Additional Covered Benefits

Benefits	Health Net Jade (HMO C-SNP) H0562: 117 Premiums / Copays / Coinsurance
