Personal Emergency Response System

Medical Alert systems can provide peace of mind if you have a medical emergency.

As a member of Health Net Sapphire Premier II (HMO), you will have access to a Personal Emergency Response System (PERS) at no additional cost. PERS provides you with an easy way to call for help with the press of a button any time of day or night. Both mobile and in-home devices are available to suit your lifestyle.

Not an emergency? That is okay, PERS is also available to lend a hand with things like:

- Making doctor's appointments
- Help with finding transportation
- Assistance with medications and much more

If you elect to have an at-home PERS, you plug the device into an outlet in your home and then keep the small, lightweight, battery-operated "Help" button around your neck on a lanyard or on your wrist on a wristband.

For an on-the-go system, you wear the "Help" button around your neck on the lanyard or on your wrist with the wristband. This can be worn both in and outside the home. Plug the charging cradle into an outlet and set the "Help" button on top when it needs to be charged.
